From Unevent - limit of 4 events per year per barony. As a kingdom, we need to get back into offering ride shares & home shares for events. Exchequer's Report

(via email)

We have 5407.52 in the account. This is after spending 2050.00 for a new 10x16 shed on the Kriebel's property. Many thanks to them for hosting it.

Separate authorization for shelving purchase is not needed provided it does not exceed the combined 2500.00 cap for shed & accoutrements previously authorized.

We cannot transfer items from the old shed to the new until the new one is set up and the shelves have been installed. I can cut a check for the shelves at the March meeting. Given all this, when might the new shed be ready for our stuff? Date for the shed's arrival would be nice as a start.

We have no expenses coming up except the shelves, as well as feast and incidentals for Uttermost West. We have already paid for the site.

I endorse a 2015 bid on Crown or Coronation, Kelly has volunteered to put it together. She can put me down for Head Cook.

Chronicler's Choice

This section is intended to highlight interesting, copyright-expired books that are available for free download.

Lives of celebrated Spaniards, comprising the Cid Campeador, Guzman the Good, Roger de Lauria, the Prince of Viana, the Great Captain (Gonzalo de Cordova). Translated from the Spanish ... by T. R. Preston (Published 1833)

(Lots more Uttermost West-related things are in the Clyffe Notes, every month since October 2013)

Revenge of Rodrigo Diaz, the Cid, for the death of his father. The illustration is part of the Chronicle of 1344, which is at the Academy of Sciences of Lisbon.
