### Special Business Meeting to discuss Feast at Baronial Birthday

October 12, 7 PM, on Zoom

11 in attendance.

Seneschal - Covid rules change frequently; a feast now is allowed.

Ceridwen - Discussions with Kingdom Seneschals. Feast is allowed. Cooks masked, servers gloved & masked, no volunteer servers from the tables (unless gloved & masked, and no clumping up). Platters of food on the table are OK. No pitchers on tables, bottled water or big cooler OK. Tables spaced 8 feet apart, people encouraged to share their table with people from their household. If people are uncomfortable with their table mates, they can cancel at the last minute & get refund. Lots of discussion on this point - People are not going to come in pods, need to prepare for small groups; or announce that tables are for 6, figure it out for yourselves. Cook does not like the risk of financial losses for last-minute cancels. Discussed yes/no on last-minute cancel refunds versus advance warning on seating arrangements without refunds - on the one hand, the feast fee is modest & many can afford to lose it if they cancel, on the other hand the Baronial coffers are not empty & could cover a loss.

Populace voted "yes" to have a feast.

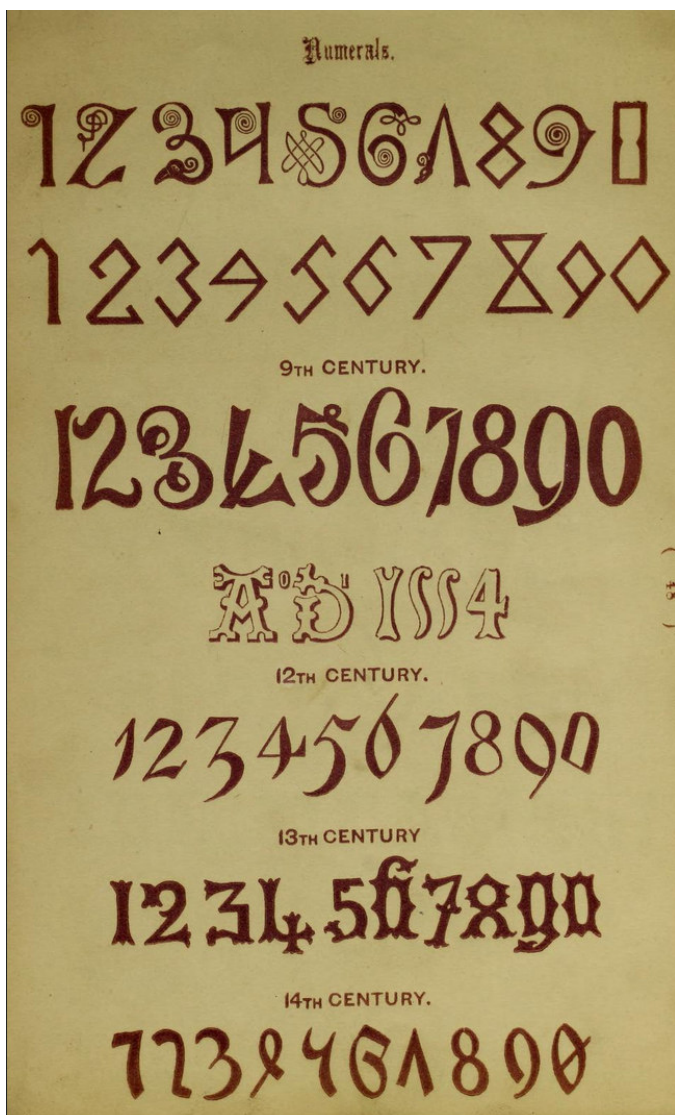

Joshua will organize servers - is looking for servers.

Birthday theme: Triumphant Return.
